[Peadar an Piongain agus a Chairde](#)

Tá an dráma seo ag léiriú na hathraithe déanta do aeráid an domhain.
The penguins seek help around the world to reverse the effects of global warming.

Athrothlú Rudaí Leictreonacha san Afraic

ToxiCity: Agbobloshie, Ghana

Rang 6 did a study of this town, which is the largest e-waste dump in the world. Tagann seanrudaí leictreonacha ón Eoraip agus ó Mheiriceá go dtí an baile seo. A lot of the material is recycled in an unhealthy and dangerous manner. It poisons the environment and many of the inhabitants.

Rinneamar feachtas. Here's the result of the petition we signed:

Petition update: Lidl frees their aubergines!

A huge thank you to all of you who have supported our petition! If you have been following our Facebook page, you'll know that as a result of your signatures, Lidl has begun selling plastic-free aubergines in all of their Irish stores! This is a small, but very significant, step in the right direction. So please, get down to your

There will now be less plastic packaging used in Irish supermarkets!
