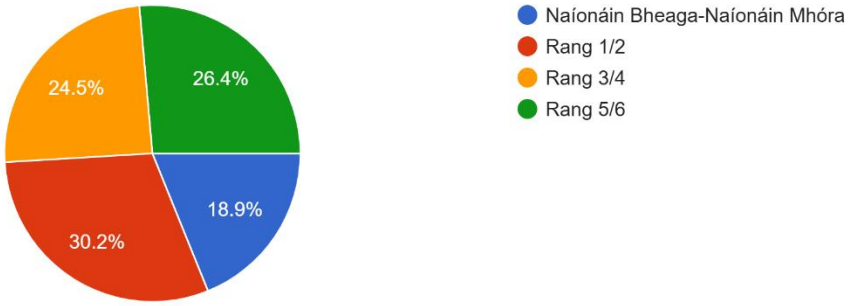
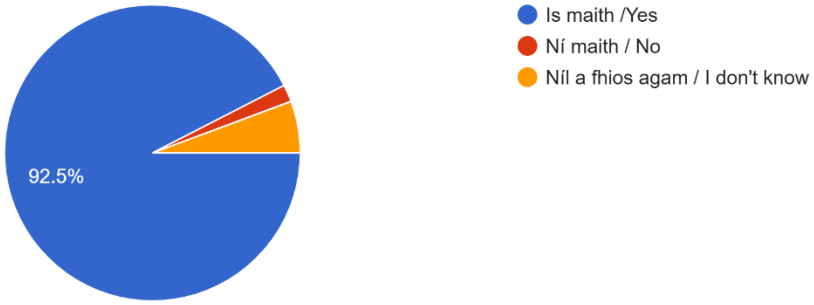
Suirbhé do Thuismitheoirí: Meonta i dTreo Teicneolaíochtaí Digiteacha

Cén rang ina bhfuil do pháiste?
53 responses



An maith le do pháistí teicneolaíochtaí digiteacha? / Does your child like digital technologies
53 responses

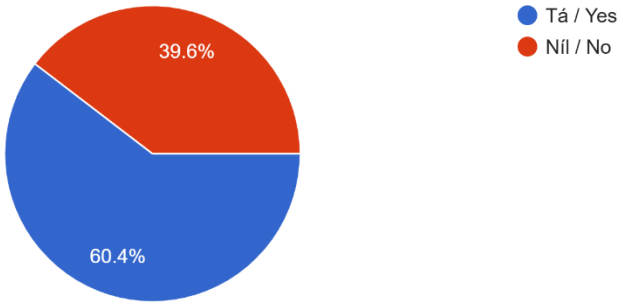


Céard é do thuairim faoi theicneolaíochtaí digiteacha mar uirlis don fhoghlaim agus don teagasc? How do you feel about Digital technologies as a tool for teaching and learning?:

The majority of respondents view digital technologies as **beneficial and important tools for teaching and learning**, but with clear emphasis on **moderation, balance, and appropriate use**.

An bhfuil láidreachtaí do pháiste maidir le teicneolaíochtaí digiteacha ar eolas agat? Do you know your child's strengths in Digital Technologies?

53 responses

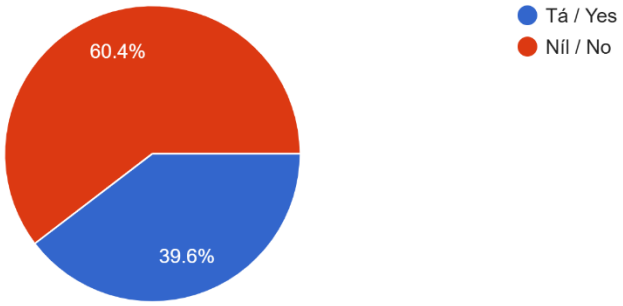


Céard iad na láidreachtaí seo? / What are these strengths?

- Responses show that children's digital strengths mainly fall into **navigation skills, adaptability, basic technical abilities, and enthusiasm**. However, a notable number of parents were unsure or reported minimal exposure.

An bhfuil deacrachtaí do pháiste maidir le teicneolaíochtaí digiteacha ar eolas agat? Do you know your child's difficulties with digital technologies?

53 responses



Céard iad na deacrachtaí seo? What are these difficulties?

The dominant trend in responses is that **many parents do not currently identify significant digital difficulties**. A large proportion answered:

- "None"
- "N/A"
- "Not sure"
- "Unsure"

- “Doesn’t seem to have any”

This suggests that for many children, difficulties are either minimal, age-appropriate, or not yet evident.

Céard iad na gnéithe de theicneolaíochtaí digiteacha a thaitníonn is mó le do pháiste? What aspects of digital technologies does your child enjoy most?

Children most enjoy **interactive, game-based and creative aspects** of digital technology. Enjoyment tends to centre around **fun, visual engagement, and active participation** rather than passive academic use.

Céard iad na gnéithe de theicneolaíochtaí digiteacha a thaitníonn is lú le do pháiste? What aspects of digital technologies does your child enjoy least?

A significant number of parents responded with:

- “None”
- “Not sure”
- “Unsure”
- “N/A”
- “enjoys them all”

This suggests that many children either:

- Do not express strong dislikes, or
- Have limited exposure, making it difficult to identify specific negative aspects.

An bhfuil aon bhealach ina bhfuil an scoil in ann a cur chuige maidir le teicneolaíochtaí digiteacha a fheabhsú? Is there any way the school can improve its approach to digital technologies?

While many parents expressed satisfaction with what the school is currently doing, the strongest recurring themes for improvement include **online safety, balance, and practical digital skills**.

An bhfuil aon bhealach ina bhfuil an scoil in ann muinín do pháiste maidir le teicneolaíochtaí digiteacha a fheabhsú? Is there any way the school can help build your child's confidence with digital technologies?

Responses suggest that most parents feel their child’s digital confidence is **adequate or developing appropriately**, but some see opportunities to strengthen it through:

- Safety education
- Practical skill development
- Gradual, structured exposure
- Positive reinforcement
