

We welcomed back our friends from Livorno

Sono venuti vederci i nostri amici livornesi

Tháinig cuairteoirí ar ais ón Iodáil i Mí Meithimh, 2009

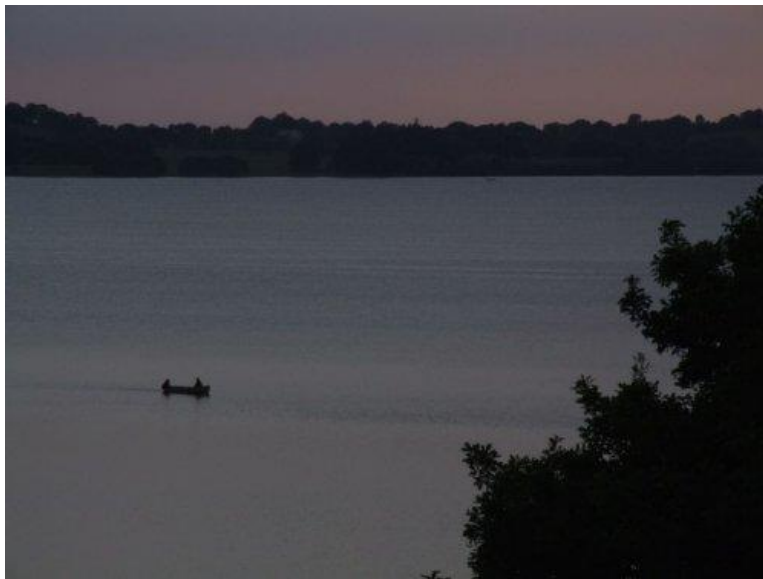

Siamo arrivati!

Lough Owel

Tramonto

Viene la Notte

So this is Castlebar!

Siamo andati al museo

Museum of Irish Country Life

Qualcuno è scappato...

...and then some more made their escape!

Then we visited Turlough Round Tower

## Food (and drink)

We brought gifts...

...and we stayed for food!

La Famosa Cucina Irlandese

Noi siamo pronti...

...e anche gli spaghetti sono pronti!

This is what we had for breakfast

Pronti adesso per la cena

The Italians have conquered!

Abbiamo fame di nuovo

And now we're thirsty!

Andiamo a Máire Luke's, Tourmakeady

Fa freddo al pub

We prefer to keep warm by dancing

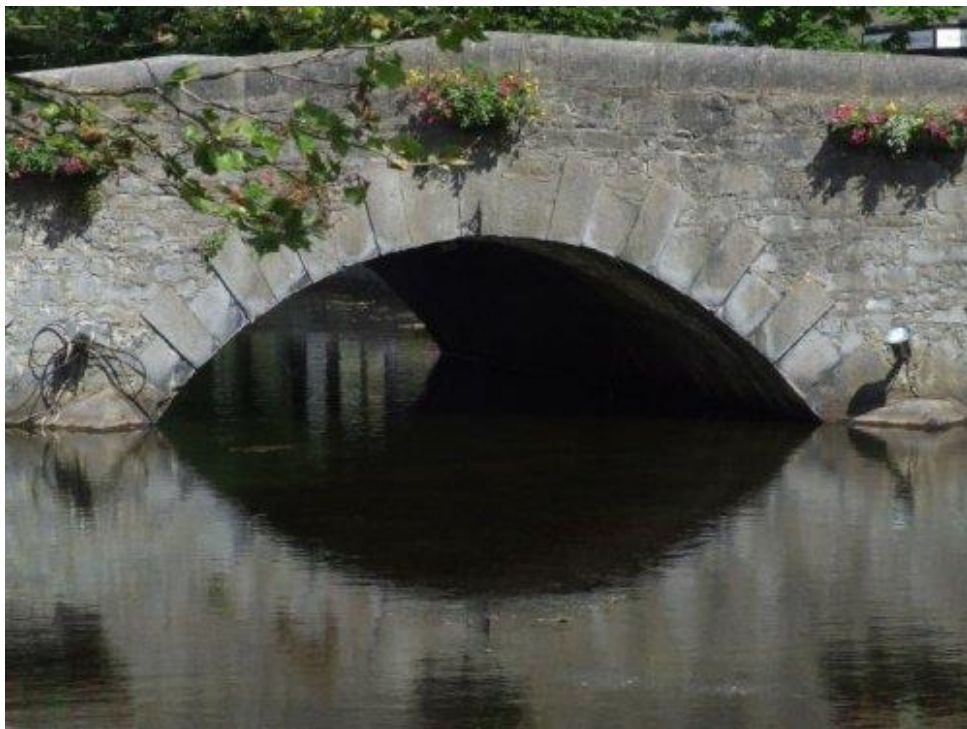

La musica irlandese

## Bus Trip

We started in Westport

We visited shops

Ecco Conall

A shower of rain!

Then we visited the National Famine Monument

Croagh Patrick è vicino:

Non siamo andati alla cima, ma la vista da 100m era bella

Sì, bastano 100m di altezza!

We developed an appetite

Next up was the beach at Old Head:

Una bella

In Viaggio di Nuovo:

Doo Lough

Finalmente, Cong Abbey e Ashford Castle:

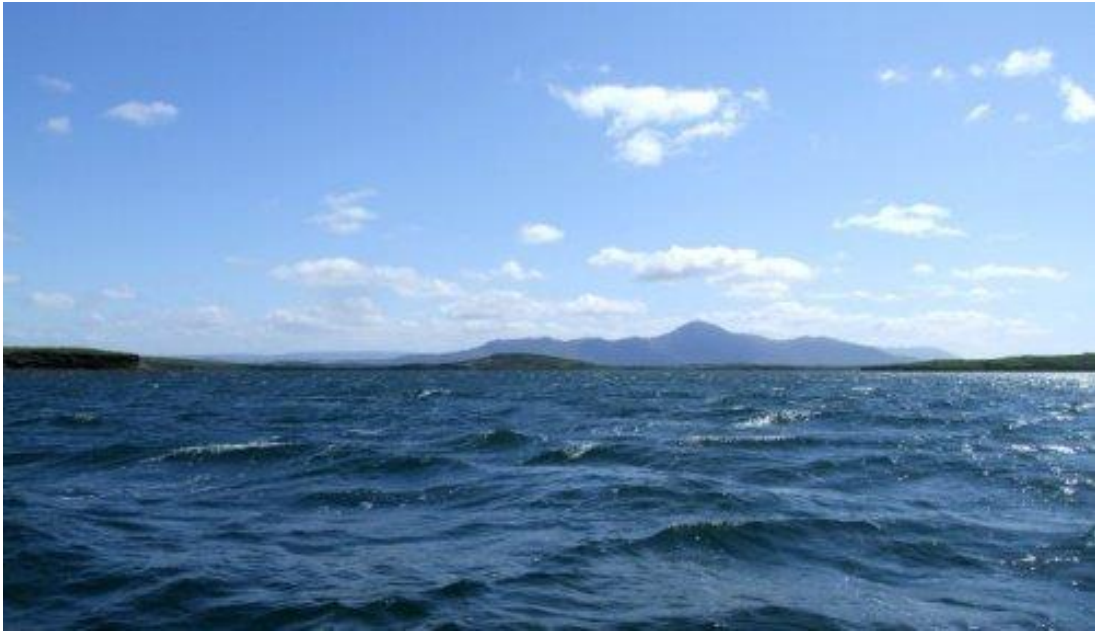

## Visit to Clew Bay

It all started quietly enough at Newport...

We got into Conall's boat...

...and went into Clew Bay

E andiamo!

The lighthouse and Clare Island

We got to Westport after a while...

...and left soon after

Hang on!

On the last day, we drove to Ballina:

Lough Conn

Ecco l'autobus

Ciao...a presto!
